Memorial Hospital Auxiliary

Women and men who join the Auxiliary (established in 1957) of Memorial Hospital make lasting friendships while providing essential assistance, support and financial aid for many of the hospital needs. If you are interested in meeting and helping people you can contribute both physically and/or financially in many ways. You may be as active as your time and commitments permit.

Auxiliary members are also invited to attend the Annual General Meeting each spring as well as the Annual Christmas Meeting which features a delicious meal and guest speakers. Periodically, members are able to see exclusive "sneak peeks" and tours as Memorial Hospital continues to grow.

Active Auxiliary Membership dues are \$5 and Inactive dues are \$10.

Volunteer Opportunities

The Auxiliary of Memorial Hospital is a self-directed body of volunteers responding to the needs of the hospital community through service. We join together in fellowship; foster a supportive family spirit that supports patient care, community services and employees; and always upholds the hospital and its mission.

As a volunteer, you will receive recognition for hours of service and free meals while volunteering within the hospital. Most importantly, you will have the satisfaction of knowing you are making a contribution to the quality of healthcare provided in the community.

The Memorial Hospital Auxiliary provides an excellent opportunity to meet new people and make a difference in the life of the hospital. For more information call:
